

TRINITY LENTEN TALKING CIRCLES 2023 Invitation

Climate change continues to impact the planet. Much needs to be done to ensure that future generations benefit from the abundance of gifts provided by Creator.

Join participants for surrounding Anglican Churches in exploring **BRAIDING SWEETGRASS: INDIGENOUS WISDOM, SCIENTIFIC KNOWLEDGE, AND THE TEACHINGS OF PLANTS** published by Milkweed Editions 2013.

Robin Wall Kimmerer is a Distinguished Professor of Environmental and Forest Biology at State University of New York as well as a member of the Citizen Potawatomi Nation. Dr. Kimmerer was one of 20 million people who participated in the first Earth Day in 1970, attending one of the celebrations in Chicago and supporting the establishment of the American Environmental Protection Agency.

Please join us on **Wednesday** evenings **March 1, 8, 15, 22, and 29** from **7:30 to 9 pm**. We will meet via ZOOM.

To register, call David Franks at 905-715-9997 and provide you email address to the Trinity Office Administrator Kelly Clarke.
